The Mighty Mathematician

MATH & MASH

Card Game Activity

Inequality Keywords Edition

Activities | Vocabulary | Practice

Math & Mash! Inequality Keywords

Read. Reason. Mash.

Prep

- Print the six answer cards and cards.
- Cut apart the cards.
- Laminate for longer use.
- Place the six answer cards in the center of the table.

Play

Read or display one clue card.
Students think first, then tap, slap, or mash the matching answer card.
Require students to explain their reasoning.

Teacher Ideas

Use for small group, intervention, tutorials, stations, whole-class warm-ups, or quick vocabulary
Use ⚡ LEVEL UP cards when students are ready for a challenge.

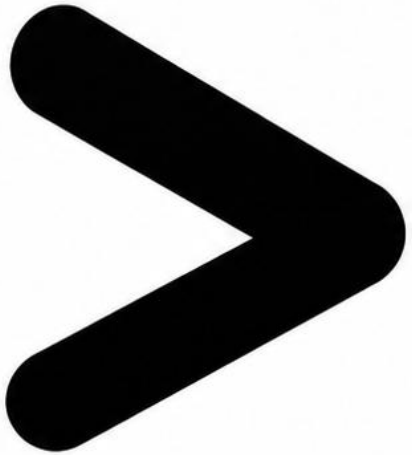

Student Rules

Wait until the full clue is read.
One hand only.
Do not cover or move the answer cards.
Explain your choice when asked.
